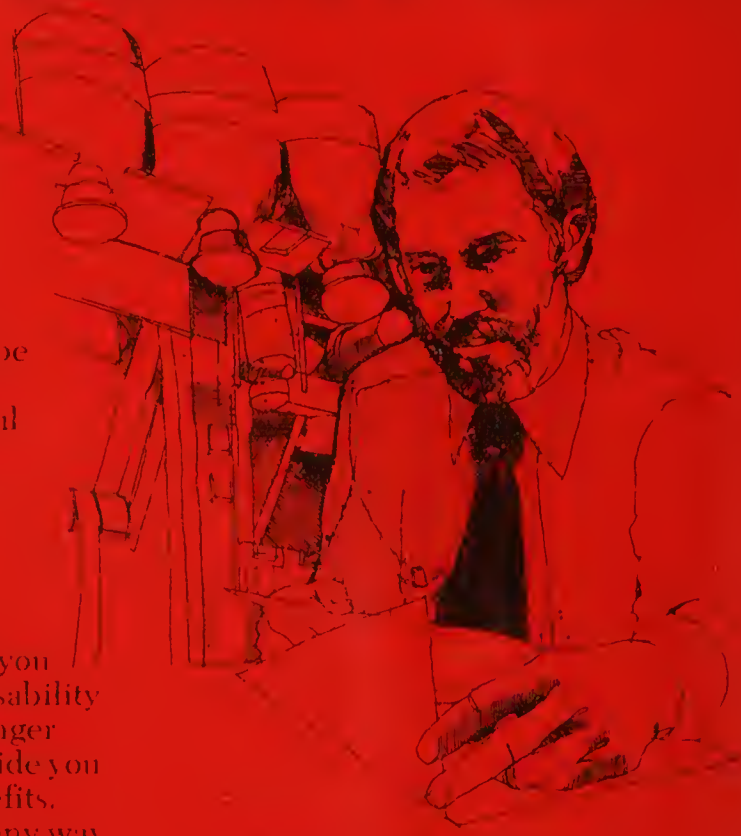
An ounce of prevention...

is worth a pound of cure.



Good advice? You know it is. As a doctor, you've seen what prevention can do for people. Prevention is an important part of staying healthy.

The same prevention can be applied to insurance . . . prevention against financial hardships caused by a covered sickness or injury that may keep you from your practice.

As a member of the North Carolina Medical Society, you are eligible to apply for disability income protection for younger doctors. This plan can provide you with regular monthly benefits. You can use your benefits any way you choose — to buy groceries, make house or car payments or provide for your children's education.

If you are under the age of 55, and are active full time in your practice, contact your local Mutual of Omaha service representative and ask about the Disability Income Protection Plan. Your representative will make sure that you personally receive full details of coverage. Of course, there's no obligation.

The Official

North Carolina Medical Society Disability Income Program

Since 1939

Its Advantages Are Clear

The only continuous Disability Plan for over 40 years — Same Carrier (Continental Insurance Co. of N.Y.) also underwrites over 100 other state professional societies. Same Professional Administrator (Crumpton Co. of Durham, N.C.) who also serves the other major professions in N.C.

Where established Record of personal claim service to Society members is well known! Our best references come from our doctors, C.P.A.'s and attorneys. Over one million dollars paid to disabled N.C. physicians over the past several years.

Extremely liberal contracts — Liberal Definitions as to disability — No Medical exams — No integration with other insurance — No income restrictions — Guaranteed Renewable contracts — wide range of options on Benefits — waiting periods — Residual — including clinic group coverage for all employees!!

Lastly, *Economy* of *Premium* continues to be an important reason for participation ih your Sponsored Society plan. This results from high group participation and Society support!

These are just a few of the salient points why we continue to be the recognized source for quality Disability Income coverage by both doctors and professional financial advisors throughout N.C.

ROLLS ROYCE

How to drive a Rolls-Royce masterpiece of your own without owning one.

If you wish to enjoy the timeless pleasure of a new Rolls-Royce motor car, you don't necessarily have to purchase one.

For many sound business reasons, you may prefer to lease one.

The first month's payment and the small security deposit can help you free your capital for other purposes. The possible tax advantages inherent in your fixed monthly payments may help you conserve your cash flow. And the option to arrange either a closed-end or open-end lease for anywhere from one to seven years can help you control the extent of your lease and your investment.

Your financial advisor can help you determine the benefits of leasing a Rolls-Royce motor car. And because we are one of the select dealerships appointed by Rolls-Royce Motors, you can rely on us to arrange the lease that will suit your personal needs.

For that matter, we can arrange the option to turn your new lease on life into the purchase of a priceless asset: a Rolls-Royce masterpiece all your own.

Committee and Commission Appointments 1981-1982

NOTE: The committees listed herein have been authorized by President Josephine E. Newell, M.D., and/or as required under the Constitution and Bylaws. Particular note should be taken of the authorization of the HOUSE OF DELEGATES of a Commission form of organization activity and that all Committees, excepting COMMITTEE ON NOMINATIONS, COUNCIL ON REVIEW AND DEVELOPMENT, and MEDIATION COMMITTEE are segregated under the respective Commission in which the function of the Committee logically rests. This will tend to eliminate overlapping and duplication in activity programs and result in coordination of the work of the Society in a manner to lessen the work of the Delegates in the Annual Meeting of the HOUSE OF DELEGATES.

Superior figures (e.g. 21) indicate the component County Society from which the member emanates, as in the Membership list of the ROSTER.)

WHEN NATURE CALLS THE PLAY . . .

While good nutrition alone cannot guarantee athletic excellence for the teen-ager, poor nutrition can prevent attainment of his full potential just as surely as poor training, talent or desire.

There are no nutritional shortcuts to athletic excellence. Good nutrition must be combined with training, talent and desire to elicit the full potential of an athlete's strength, endurance, and efficiency.

The optimum diet for the teen-age athlete is essentially the same as for the teen-age non-athlete. The diet should consist of at least three meals a day which collectively satisfy the additive nutritional demands of growth, maintenance and vigorous activity. Four or five lighter meals may be preferred to three larger meals when the training is particularly extensive and exhausting. For the athlete subject to emotionally induced digestive disturbances, consuming the last meal three to four hours before game time may be helpful.

The planning and preparation of diets for teen-age athletes in training are greatly facilitated when milk is included in some form. Milk is a rich and versatile source of high quality protein, calcium, phosphorus and many B vitamins.

At least 1 quart of milk per day — or its equivalent in other dalry products — makes significant nutritional contributions to the well-balanced varied diet so essential for peak performance by the properly conditioned teen-age athlete.

Medical Mutual Insurance Company of North Carolina

*WE HAVE CHANGED

Since October of 1975 when some 1,600 North Carolina MDs invested almost $1,000,000 to form Medical Liability Mutual Insurance Company of North Carolina — we've changed. At first we were the only company willing to write any MD in the state. Then despite competition we became the leading writer of physicians & surgeons engaged in private practice in North Carolina.

Since then we have constantly improved our product, service and financial integrity. We also have expanded our program to offer all lines of insurance through our subsidiary Medical Insurance Agency Inc. The Agency specializes in serving the medical community with a variety of ever improving quality products designed specifically for your needs.

*SO WE HAVE CHANGED — CHANGED TO SERVE YOU BETTER AND CHANGED OUR NAME FOR A BETTER FIT.

If you want expert advice from a company whose sole purpose is to serve the medical community try us for a refreshing change.
